

MOUNTING INSTRUCTIONS FANDANGO/DIABLO TANK BAGS™

NOTE: Before mounting, carefully read through these instructions start to finish. Failure to follow recommended mounting and installation instructions voids warranty. Manufacturer is not liable for any damage, injury or death that results from improper use and installation of products. By installing these products, user accepts all liabilities, terms and conditions outlined in the Liability & Warranty statement included here.

THESE INSTRUCTIONS ARE GENERALIZED for Dual Sport/Enduro Bikes. Mounting points where webbing is secured vary with every make and model of motorcycle. Take a few minutes to familiarize yourself with the Tank Bag and how it will mount to your motorcycle. Remove tank bag from harness, allowing you to see the tailored shape and to become familiar with the harness' fit on your machine.

ADVENTURE BIKES

On some adventure touring motorcycles, engine guards and alternative mounting points maybe used. On the BMW 1200GS, remove seat and thread webbing around frame rails. Replace seat, then tighten straps.

1 Thread the forward webbing **under the frame head tube** and back into the thumb-lock buckle on harness. Adjust the front mount point to fix the front/back position of the harness to provide fuel fill access and full swing of the handlebars. Do not damage or interfere with any wiring, cables, other controls.

2 Locate the appropriate connection points on each side of frame. Use the farthest forward positions available (i.e., the shortest distance). Loop each side's webbing straps **around frame/subframe** and back up through reflective tabs and thumb-lock buckles. **DO NOT** allow webbing to contact exhaust! Tighten all three points of contact and secure all loose webbing ends.

3 The Tank Bag is designed to allow easy access to your fuel filler by simply unzipping one side of the bag from the harness. Note that the concave shape of the Tank Bag's front allows vent tubes to breath. Unzip the Tank Bag on both sides to remove it from the harness and take it with you, leaving the harness mounted and ready to go.

NOTE: Pannier Pockets are available as an accessory, not included with Fandango/Diablo Tank Bag.

Electronics Pass Through (Fandango/Diablo Tank Bag Pro Models Only)

A Thread power cable through flap on front of Tank Bag and re-secure hook-and-loop to prevent water migration.

B Pass power cable into mesh pocket on underside of Tank Bag lid by thread through either side of yellow sleeve.

C Reach into mesh pocket to pass power cable through rubber grommet to power devices in top map pocket.

Protect bodywork & plastics with vinyl film

Prevent scuffing or marks on your body work side or plastics with a variety of methods, from the inexpensive and temporary (e.g., clear packing tape) to readily available manufactured solutions, such as clear protective sheeting or padding. Even a single ride can buff the shine off your gloss coat. Take the time to protect your bike now!

FANDANGO/DIABLO TANK BAGS™ INSTALLATION INSTRUCTIONS

PACKING TIPS

- Giant Loop Tank Bags are highly water resistant, and the included Tank Bag Dry Pod makes them waterproof. Always pack moisture sensitive gear in the Dry Pod and remove the Tank Bag from the harness when leaving the bike parked in the rain.
- Do not overstuff or over-load Tank Bag. The challenge should be to pack as little as necessary to be safe, comfortable and self-sufficient. Go light. Go fast. Go far.
- Pack all sharp and/or hard items inside a protective layer. For example, create a sleeve for tire irons from a section of old

inner tuber, pack tools in rolls and wrap other hard items in clothing.

- Install Vinyl Protective Film to prevent scuffs and scratches under Tank Bag Harness.
- Visit our website at GiantLoopMoto.com for more tips from riders and instructions.
- PRO MODELS: Use elastic sleeves and loop on inner divider to organize credit cards, phone, pressure gauge, pen, etc. Also, secure hook-and-loop dividers from your camera bag to inner hook-and-loop accepting fabric.

CARING FOR FANDANGO/DIABLO TANK BAGS™

- Treat zippers with care and respect. Keep them clean and lubricated with zipper wax or lube. Don't yank or pull - take an extra second to make sure both zipper sides are aligned.
- Keep all webbing away from hot exhaust.
- Avoid sharp metal edges. Protect webbing with inner tube sleeve to prevent abrasion.
- Secure loose webbing ends when riding. Check and retighten all connections at each stop.
- Avoid exposure to insect repellants containing DEET.
- Hand wash Tank Bag with mild soap (like Simple Green), rinse with clean water and air dry. DO NOT MACHINE WASH OR DRY.
- Prevent mold, mildew and funky stench by unpacking wet gear, rinsing thoroughly with fresh water and airing dry.

TERMS OF USE, LIMITED LIFETIME WARRANTY AND LIABILITY WAIVER

Giant Loop LLC, an Oregon company, having its principal place of business in Bend, OR ("Giant Loop") offers its motorcycle bag (the "Product") with the terms, conditions and notices as follows:

TERMS OF USE

This Product is offered to you conditioned upon your acceptance without modification of the terms, conditions, and notices contained herein. Installation and/or use of this product implies acceptance of all such terms, conditions, and notices. If you do not agree to these terms, do not buy the Product. If you have already bought the Product and do not agree to these terms, return this Product promptly, including the packaging and all written materials, to Giant Loop.

LIMITATION OF LIABILITY AND LIMITED LIFETIME WARRANTY DISCLAIMER

Giant Loop offers a money-back guarantee provided the Product is returned, in unused condition with original receipt, within 30 days of purchase. Giant Loop reserves the right to subtract a 15% re-stocking fee from the refund amount. Standard shipping fees will apply to exchanged items and are paid by the customer. If you receive damaged or defective goods or items that you did not order, the items must remain unopened and unused so we can credit you in full, including return shipping if it is a result of our error, mishandled shipping or manufacturer's defect.

Giant Loop provides to the original purchaser a limited lifetime warranty against defects in materials or craftsmanship if purchased directly from a Giant Loop authorized dealer. This warranty covers defective materials and craftsmanship only, and does not include damage due to normal wear and tear or misuse. Failure to comply with the included instructions for this Product will void the limited lifetime warranty. If defects in the materials or craftsmanship of the Product exist, notify Giant Loop immediately of the defect. Giant Loop will provide for repair or replacement of the Product, after Giant Loop has determined, in our sole discretion, that a defect is present. Proof of purchase is required to utilize the limited warranty provisions.

If you experience any problems with the Product within the warranty period please return the Product or contact us for prompt repair or replacement at our discretion: ride@giantloopmoto.com, 458-206-9113.

Excepting the warranties stated in the preceding paragraph, Giant Loop hereby disclaims all other warranties and conditions with regard to the Product including all implied warranties and conditions of merchantability and fitness for a particular purpose. There are no warranties which extend beyond the description on the face hereof. Giant Loop does not warrant against damages or defects arising out of use or installation of the Product. Installation instructions are provided for your convenience. Giant Loop is not responsible for any damages arising out of the installation, improper or otherwise, of the Product. No warranty of any kind, expressed or implied, is made regarding the safety of this Product.

To the extent allowed by law, Giant Loop shall not be held liable for any direct, indirect, punitive, incidental, special or consequential damages arising out of, or connected with, the use or misuse of this Product. Buyer assumes all risks and liability arising from use of this Product.

ENTIRE AGREEMENT

This document states the entire obligation of Giant Loop with respect to the Product. If any part of this agreement is determined to be void, invalid, unenforceable or illegal, including, but not limited to the warranty disclaimers and liability limitations set forth above, then the remainder of the agreement shall remain in full force and effect.

APPLICABLE LAW

This agreement is governed by the laws of Oregon, USA. You hereby consent to the exclusive jurisdiction and venue of the courts of Oregon, USA, in all disputes arising out of or relating to the use of this product.
